

**KST102F1**  
**102 key short**  
**travel**  
**keyboard**

**FEATURES**

- **Panel mount keyboard sealing to IP67**
- **Short travel key switches**
- **Positive tactile feedback**
- **PS/2 or USB compatible**

Dim: 349 x 152mm

**General Description**

The KST102 keyboard uses short travel switches with low pressure and positive tactile feedback for convenient, fast, data entry. The IP67 rating level of the panel mount is obtained thanks to the inherent sealing capabilities of its polyester front. The fields of industrial applications are very wide; indoor and outdoor where a higher input speed is required while maintaining outstanding sealing characteristics.

The KST102F keyboard is rated IP67 and has an operating temperature range of 0<sup>0</sup>C to +55<sup>0</sup>C
